Halaqah Al

No goodness is to be hoped from pretence; all goodness is in the essence of the self. While the word Christians and Muslims use for God is the same, the character of the One they worship is different.

Hadith Unwan al

~ Dear Mishara, Thank you for your comment. For example swore~ would result in swore, snore, score, etc. Therefore please do not distract me from my rituals, rather go to Malik and continue to visit and learn from him.

Sunan Abi Dawud 2146

This is the first stage of piety. Muslims worship the one and only God, who is childless, and also unbred, who created the heavens and the earth and what existed between the two in six periods, He knew what entered into the earth and what came out of it and what came down from it the sky and what rises to him. Isa, the Kalimatullah, was sent by Allah to this world to become the ransom for saving people from the penalty of sins.

Hadith Unwan al

He is given the highest honor, both now and forever.
