Another possible reason for their construction may have been the need for access to areas for bird hunting on the north side of the peak. There is this perception that these people are coming and taking their jobs.

The nearest location to our Parish for...

I believe in the Holy Ghost; the holy catholic Church; the communion of saints, the forgiveness of sins; the resurrection of the body; and the life everlasting. I will try not to do that.

The Braid

And yet, despite these positive developments, Dunne warns against complacency, remarking that despite World War One becoming a sort of neutral ground in terms of commemoration, there still appears to be a nervousness in the official approach on the part of politicians both North and South around the commemoration of complex events of 100 years ago. London: Chapman and Hall, 1963. The monks of this period, by contrast, dwelt in circular houses, a custom inherited from their secular ancestors.
