## Aristophanes, Aristophanis Comoediae

The eleven surviving plays of Aristophanes are treated as representative of a genre.

### Clouds

What can your drinking do to help us? Demos, all is ready these three hours; I await your orders and I burn with desire to load you with benefits. As for us, we place our valour gratuitously at the service of Athens and of her gods; our only hope is, that, should peace ever put a term to our toils, you will not grudge us our long, scented hair nor our delicate care for our toilet.

### Aristophanes' comedies of (political) errors

I will pluck out your white hairs and make you young again. I, I will strangle you, I swear it by the precedence which Pylos gained me. For the first half of the play, Dionysus routinely bungles, forcing Xanthias to enable him.

Had one of the old authors asked to mount this stage to recite his verses, he would not have found it hard to persuade me.

### Aristophanes: The Eleven Comedies/Knights

But this rascal here has prevented us. . Come, pour me out some drink, bestir yourself! And I, that one of your grandfathers was a satellite...

### Aristophanes Plays

The play opens as Xanthias and Dionysus argue over what kind of jokes Xanthias can use to open the play. And I will lug out your gut to stuff like a sausage. This is NOT a retyped or an ocr'd reprint.

### Aristophanes Biography

It had also become customary to add the names and the deeds of such citizens as had deserved well of their country.
