Imagining the Apocalypse

The Cross and the Zombie Apocalypse:

Two Images for our Time. Thanks to its mastery, the observer can almost hear the horses hooves clapping! There were prescribed places for Christ the Judge, intercessors, angels, the elect, and the damned.

Apocalypse Tapestry

We are saddened for the families in CT. A few years ago before the new media no one would have known. I once had one of my supervisors in the UT anthropology department explain to me for three hours on a research expedition in mathematical terms how something could have ALWAYS existed, needing no beginning point.

The Apocalypse Art Prize

And he opened the bottomless pit and there arose a smoke. I shall briefly try to explain what I have seen that has made me feel that science is really affecting society more like a religion now than a field of study.

Apocalyptic Artwork Captures : Apocalypse in Art

What sublimity, to stand erect amid the desolation of the human race, and not to lie prostrate with those who have no hope in God; but rather to rejoice, and to embrace the benefit of the occasion; that in thus bravely showing forth our faith, and by suffering endured, going forward to Christ by the narrow way that Christ trod, we may receive the reward of His life and faith according to His own judgment. What they produce captures in

its originary structure the essence of the apocalyptic.
