History of Sindh Pakistan

The may be the manifestation of the Late Harappan over a large area in the region of , and western , and the its successor.

Sindh Cultural Day

Rivers were also used for exportation as indicated by the location of greeneries closed to the river.

Sindhi Culture

Then, perhaps linked to events in Mesopotamia, about 8,500 years ago agriculture emerged in Baluchistan. Most city dwellers appear to have been traders or artisans, who lived with others pursuing the same occupation in well-defined neighbourhoods. Despite these reports, Harappa was raided even more perilously for its bricks after the in 1848—49.

Social Structure Of Indus Valley Civilization

Cities of Sindh have remained prominent centers of trade and industry in the region throughout the history. Coastal settlements extended from in Western Baluchistan to in Gujarat. Late Harappan Late Harappan figures from a hoard at , 2000 BCE Around 1900 BCE signs of a gradual decline began to emerge, and by around 1700 BCE most of the cities had been abandoned.

Indus Civilisation

In 1842, Masson included his observations of Harappa in the book Narrative of Various Journeys in Baluchistan, Afghanistan, and the Punjab.
