Program requirements for the Global Talent Stream

Boreal forest and Lowland forest occupy northern Ontario.

Program requirements for the Global Talent Stream

This high standard of living has made Ontario the top destination for new immigrants to Canada. Likewise, communities all across the province contribute elements to the cultural mosaic of the province. As with any Canadian province, Ontario has wide control over its healthcare, education and other services.

Ontario Facts

A related Ministry of International Trade existed between 2008 and 2009, and again from 2016 and 2018. The city was established in 1850 and is located on the shores of Lake Ontario.

Growth of Canada's Technology Industry and Workforce Detailed in New Cyberprovinces™ Report from CompTIA
