### Japanese Culture

However, many western people misunderstand the concept of Ikebana.

### The Flower Art of Japan

The kenzan is placed in the vase and just covered with water. Similarly, as botanists in Europe began systematic collection and preservation of specimens, art forms with the pressed plant materials developed, particularly during. Branches and flowers are placed at specific angles to represent ten heaven , chi earth , and jin man.

### Japanese Culture

Ohara — Started in the late 19th century, you can easily make this style out. Even western flowers were added too. If shin and soe are branches, accompanying decorative flowers, called jushi, will be half as long as shin, soe, and tai.

**The floral art of Japan : being a second and revised edition of the flowers of Japan and the art of floral arrangement : Conder, Josiah, 1852**

This foliage, including whole flowers, petals, leaves and varied organic pieces, are pressed until dry and flat, using a variety of pressing methods. In the 1930's, and then more so in the postwar period, interest in ikebana became much more widespread.

Keikezu for the arrangement shown on the left copyright Sogetsukai Foundation. Ikebana has been viewed as a slice of life in Japan as the people there always try and work in sync with the surroundings. There are many schools, of which the most popular are Ikenobo, Sogetsu and Ohara.

### How To Ikebana

Principles of Ikebana Ikebana has become an artform that is associated with a meditative quality. There are three common Moribana styles—upright, slanting, and water-reflecting—with many variations within each style. The medium branch, soe, represents man.

## **Japanese Culture**

My Book of Flowers, published in 1980, includes chapters on her art.

## **Ikebana**

You can create the most basic style by placing shin at the center back of the kenzan, 10 degrees to the left and 10 degrees forward. This ties into other principles of Ikebana including minimalism, shape and line, form, humanity, aesthetics, and balance. You will find this aspect common in most things related to the Japanese culture like the Kabuki theater, the tea ceremony, origami and all other special arts and skills of Japanese origin reflect this, Ikebana is simply one of the numerous ways that show the oneness of the world and brings us closer to nature.
