## What Is Democracy?

To provide just a few examples to preview the discussion below, USAID manages its DG programs with an eye toward four broad areas: rule of law, elections, civil society, and good governance. The first advantage to disaggregation is the prospect of identifying concepts on whose definitions and measurements most people can agree.

## Defining and measuring democracy / edited by David Beetham

Moreover, the many possible resolutions of this dilemma that lie in between minimal and maximal definitions cannot avoid the problem of arbitrariness: Why should some elements of democracy as that concept is commonly employed be included, while others are excluded?

Cambridge, UK: Cambridge University Press. Baltimore and London: The Johns Hopkins University Press. Deepening Our Understanding of the Effects of U.

## Defining Democracy: Separation of Powers

Correlation Versus Interchangeability: The Limited Robustness of Empirical Findings on Democracy Using Highly Correlated Data Sets.

## 3 Measuring Democracy

This article starts from the premise that in order to fully understand the quality of democracy such objective measurements have to be complemented by subjective measurements based on the perspective of citizens.

## Measuring Democracy

Chapel Hill and London: University of North Carolina Press.

Subject: Defining democracy

Yet the lack of precision inherent in such cross-country comparisons can be handled by including an estimate of uncertainty along with the point estimate so that users of the data will not be misled. Issues in the Comparative Measurement of Political Democracy.

### **Defining and Measuring Democracy**

The committee undertook a limited statistical examination of the Freedom House scores for 2007 on their key components—for political rights this included electoral process, pluralism and participation, and functioning of government; for civil liberties these were freedom of expression, association and organizational rights, rule of law, and personal autonomy and individual rights see Appendix C.
