The soc.culture.new

Nevertheless, we need to look at the larger picture.

Prosperity Mislaid: Economic Failure in New Zealand and what Should be Done ...

The dominion or evening post would be a could source of adverts for household gizmos and houses, rent, cars etc.

Prosperity mislaid : economic failure in New Zealand and what should be done about it / Len Bayliss

As in similar countries, the process of immigration was changed, from a system of regional quotas to a points system

The soc.culture.new

There have been some hiccups, but by and large this seems to have been a successful and welcome reform.
