G Another point is that i still trust the western news media more than a governmental controlled news machina. Who gives you the authority??!
Abide our time while rising up economically and militarily.

News Checker: Who Lie about Xizang (Tibet) Violence and How!

Or take any European country and hoist the flag of the present regime - 1 to see why this approach doesn't engender a NPOV. Really, what do you expect a government to do when there are TERRORISTS burning and killing its citizens just because they are not ethnically Tibetan many of them have lived there for decades , to just sit back and enjoy the show? Thus chosen it was, and it has been used that way for hundreds of years, never been a problem--until the heated debate here, that is. This building also houses all of the technology and equipment that the X-Men need.

Men in Doshangtang

We should send this message to their goverment website to let more people get to know the truth. This is why NPOV is non-negotiable. Anybody who don't believe these, you can search all the history book not written by China.

2008 Tibetan unrest

Do you go in charging, making decisions on the fly? This is no different than you or I, and it's another opportunity to relate to these mutants and their personalities.

KLEOPATRA RUG

April 25, 2015 — A 7. After Mao's death in 1976, the Tibetans gained limited autonomy although many of the Tibetan government officials installed were of Chinese nationality.
