雑誌『国語学』全文データベース

Above it lie seven layers of heavens, a number to which a Babylonian origin is usually assigned.

Ranjan Gogoi

This was a strategy that would be followed by later kokugaku scholars who, like Norinaga, would attempt to demonstrate the canonical nature of their chosen object of study. Prior to the Meiji Period 1868—1912, the idea of a single, unified Japanese language did not exist. Most notable was the revision of the Elementary School Ordinance, especially the implementation of the school subject kokugo.

CJKV

The movement implied aspiration for the linguistic as well as the political independence of the German language.

Kaizoku Gattai GokaiOh

And that the superstition was inflamed and exacerbated by Shingon priests, yamabushi, exorcists and suchlike people who would be likely to make money from the discovery of such witchcraft and the exorcism of its effects.

Ranjan Gogoi

On the other hand, nihongo is considered as referring to a neutral and objective entity recognized as such in the field of linguistics.

Kaizoku Gattai GokaiOh

He argued that ordinary referential language cannot convey these primal, preverbal, presocial desires and emotions. In the dominant climate of that time, however, where problems of language were slighted, Hoshina was a lonely and even an extraordinary exception. In the first place they are able, freely and voluntarily, to cross the barrier which divides our world from theirs.

Decoding Ranjan Gogoi's legacy

The favourite food of these creatures was the Five Cereals.

Kaizoku Gattai GokaiOh

Other Shugendō rituals too, thanks to media advertising, now attract crowds as never before. But their new status was fragile. In this regard, they were more radical and adventurous than those postwar proposals represented by Tōyō kanji hyō.
