Robert Bridges

There is no exact definition for any symbol; different cultures have a varied understanding of all symbols and birds are no exception to this. Stanford, Carcanet Press Cheadle, England, 1974.

Composed Upon Westminster Bridge, September 3, 1802 Lines 1

Parrot The parrot exemplifies... wait for it, communication and talkativeness. APHAEARESIS also spelled apheresis; plural: apphaeareses, adj.

What to do with Metaphors in Bible Translation?...

Alliteration had been the formalistic focus in Old English poetry, but after 1066 it began to be replaced by the new convention of rhyme, which southern courtly poets were using due to the influence of continental traditions in the Romance languages like Latin and French. Thus seven is the well-known symbol of completeness, four of universality, twelve of God's people. BASICS OF THE JOURNEY Our goal is to grasp the meaning of the text God has intended.

Literary Terms and Definitions A

How does this attitude change? A preening peacock, a playful finch, a hovering dove, a scheming vulture, a clever crow, a robin, an osprey — all are charmingly decorative to the average viewer. Moloch whose factories dream and croak in the fog! A proverb is a short maxim relating to practical life. Some readers insist on some sort of constructive residuum in the realm of human beliefs or human experience; many critics believe that such a residuum is in itself a part of the aesthetic make-up of the poem.

An English Teacher's Dream: Metaphors in the Have a Speech by Martin Luther King, Jr.

But, says one of this class of expositors, the maiming of the body is figurative language, and so is the representation of the worm that never dies. Instead of just importing goods from other climes to make itself wealthy as Israel and Spain had, Britain was destroying itself—through procuring

and processing—in order to make itself rich. The agrarian ideal manifested equally strong in writings as one form of the motif.
