## The Border Between Israel and Palestine

So far, the Palestinian mainstream refrains from endorsing one-state ideas out of consideration for the besieged Arafat and how much the PA invested in a negotiated two-state solution.

## Guide: Why are Israel and the Palestinians fighting over Gaza?

You forget the commandment which summarizes the whole of the Torah, to do unto others that which you would have them do unto you. This must not be made conditional on the cessation of the violence, because the siege itself is the most effective spur to violence. They did not put Jews into ghettos and force them to wear yellow stars.

## The Border Between Israel and Palestine

Despite opposition to Arab resistance, British rule came in, moved to Palestine, and settled in Palestine. Arab publications and others have compared to German and other historical examples of oppression and ethnic cleansing.

## In Dark Times, Blame the Jews

Only if it is the Land of Israel do you have a right to live in Ein Hahoreh and in Deganiyah B. Mearsheimer and Walt, however, have constructed a far more ambitious theory. The Holocaust is often used as the final argument in favor of Zionism, but is this connection justified? From their perspective the land is being redeemed by being transferred from the satanic to the divine sphere.
