For example, house is presented as مکن without any grammatical markings or a phonetic pronunciation of the urdu word.

## Oxford English Urdu Dictionary for Android

Maybe this book will be useful in the future, but I don't think I can use it for much of anything as it stands This actually appears to be more of an encyclopedia for English words with Urdu explanations, rather than a two-way dictionary. His techniques to Teach English urges one to learn English speaking in a way that no one introduced before. Usage notes give advice on using the right word in the right place, and thousands of etymologies trace the roots of modern English.
