The Oprah Winfrey Show Finale

I believe the most important thing in life is love.

National Geographic

While this crime thriller was cancelled after season 3, that doesn't actually matter: this adaptation of Thomas Harris' books about cannibal Hannibal Lecter tells a complete story. Let your heart be broken by people refusing the cure.

Song Lyrics: Tarzan

I would walk through the desert, I would walk down the aisle, I would swim all the oceans just to see you smile. The trunk is located anteriorly and medially to the right atrium, sharing a common layer of pericardium with the ascending aorta. The aorta arises from the aortic orifice at the base of the left ventricle, with inflow via the aortic valve.

Everywhere I go, I see hearts...

Liu says that about a third of such patients show evidence of cardiac injuries on blood tests, and that of those who do, many will heal.

To The Person (Now 'My Person') Who Showed Me My Heart, Thank You

Please take our pain away so we can sleep peacefully in your care. There is purpose, even when we don't understand. It's not our job to make sure others around us understand in the moment.

How can I know when God is telling me to do something?

Once inside the heart, the virus can inflict damage in a number of ways, either through directly invading heart cells and destroying them, or inducing an inflammatory response that can affect cardiac function. Our love for each other was exceptional, never an argument or harsh words, we only spoke encouragement and support to one another.
