THE REFORMATION: ROSICRUCIAN CONNECTIONS

The European continent receives much of the attention when referring to the Protestant Reformation, but England specifically played a major role in the Protestant Reformation; it just began in a different method.

The Protestant pulpit, an anthology of master sermons from the Reformation to our own day : Blackwood, Andrew Watterson, 1882

With them, they brought many of the teachings of Calvin through Parliament to be added to the articles of the Church of England 1534, 1549. And in these various partnerships, Christian churches will be required to compromise the Word of God for the common good.

On the Shelf: New items added to Center for Restoration Studies collections, April 2021

Unknowingly, Henry greatly helped the Protestant Reformation when he ordered that an English Bible be installed in all churches.

Sermon Notes and Outlines I

In this conflict over the interpretation of Scripture and teachings, there were inquisitions, persecution, and civil wars within provinces and countries so the Church could keep its power and authority. Once people were allowed to read Scripture for themselves they began to perceive God, the Church, and the state. After Henry VIII At the death of Henry VIII in 1547, his only surviving son Edward VI inherited the throne and with the help of men like Cramer, moved the Church of England closer to the views of the Protestant Reformation and Luther, as well as Calvin. Pettegree, 2000. Perry Davis, A father talks to teenagers Wilson, Bert, The Christian and his money problems Windler, Penny Nichols.

A New Roof

One of the most important aspects of the Reformation was the teachings on the rights of the individual and the freedoms that each person should

have, including the freedom to worship God as Scripture directed MacCulloch, 2003. Of course, we see some of the individual countries mentioned in earlier centuries and even divided into similar regions on our maps, but the cultures within these countries were very similar, being heavily influenced by the Roman Catholic Church.

THE REFORMATION: ROSICRUCIAN CONNECTIONS

Walter Ullmann, in his recent notable book on Medieval Papalism, quotes the fourteenth century papalists as asserting that the pope, in the fulness of his power, was beyond the reach of any mortal, emperor, king or any other. They had read their Bibles and established their own ideas about what a precise reformation in England should be and look like. This is not perhaps surprising.
