### Outdoor recreation trends and futures: a technical document supporting the Forest Service ...

Therefore, accurate estimates should be proposed and the results should be reported to community members.

### Outdoor recreation trends and futures: a technical document supporting the Forest Service ...

Connecticut Development Commission, Planning Division, April 1961. Although at times it may carry a fairly heavy traffic load, as on the first pleasant Sunday in spring, the parkway should be consciously designed to avoid its being a convenient and direct route between centers of urban activity.

### New Mexico

Natural slopes are sometimes used, but because of the difficulty of steering and controlling the sled, specially constructed slides are more desirable.

### Articles

Janet and her team were knowledgeable, responsive and professional. London, England: Frank Class Publishers.
