**Arizona Coyotes are 'interested' in potential development of Tempe entertainment district**

The male will bring food to the female and the pups, and help protect them from predators. For example, coyotes that live in the mountains have darker coats, while ones that live in the desert have lighter coats.

**Arizona Coyotes are 'interested' in potential development of Tempe entertainment district**

She is the daughter of Mary Bridget née Moriarty, a former school teacher, and Edward Bradley Moynahan, a scientist and former administrator at the.

**How to Get Rid of Coyotes in Your Yard**

The eastern coyote is sometimes called a coywolf or coydog because they interbred with wolves and dogs many generations ago, during coyote expansion across North America,. Results indicate city coyotes enter cage traps more than country coyotes.

**Arizona Coyotes are 'interested' in potential development of Tempe entertainment district**

We have become so accustomed, unfortunately, to 'all or nothing' decision-making.
