He was Jeronimus Corneliszoon, a disgraced and bankrupt man with great charisma and dangerously heretical ideas. Some people believe he was a pioneer in diving and badly done by.

New Zealand harbour's SUNKEN TREASURE found by divers includes 868 coins

One worked near the Auckland Islands. A superb book, very well written, commencing with a brief history of major salvage operations, and then into more detail with the Italian salvage company 'Sorima' and their salvage vessel Artiglio, working on the wrecks of the Elizabethville and Egypt; includes the tragic explosion that killed several divers and most of the crew.

The SS Elingamite and her treasure

On board that day were 136 passengers and 58 crew, 45 of whom were to lose their lives. Edith also assisted Lynton in his filmmaking career and was sound recordist for the documentary on oil recovery from the sunken troopship, President Coolidge in New Hebrides.

The hidden treasure still waiting to be found

These unique personal sagas are told against the background of the tales of great treasures and their hunters, from Caribbean Buccaneers to twentieth century warriors, as close to home as New York's East River and as far afield as Philippine's Manila Bay.

The hidden treasure still waiting to be found

The first thing i did was check out Australia.
