Huib Claessens brings the correct blend to Don Alfonso -- a character actor's comic patter plus a lyrical ability to actually sing the music.

Mozart's Life & Timeline

He wrote all his violin concertos between 1774 and 1777, as well as Masses, symphonies, and chamber works.

A word about the horn concerti: They're performed by the distinguished Dutch horn player, Herman Jeurissen. The exact cause of Mozart's death is unknown although more than 100 causes have been postulated. On the other hand, for most chamber music and vocal music there is no such numbering or at least no generally accepted one.
