## Chapter 17.80 SEPA GUIDELINES

Relationship of EIS to other considerations. Discharge standards and effluent limitations for domestic wastewater facilities.

### WAC 172

The city adopts by reference the policies of the following city documents: A City of Blaine comprehensive plan; B City of Blaine shoreline management program; C City of Blaine land use code, BMC Title. The City shall not automatically require an EIS for a proposal merely because it is proposed for location in an environmentally sensitive area.

### SEPA guidance

Notwithstanding any other provisions of the Blaine Municipal Code, the city may attach conditions related to environmental review under SEPA to a permit or approval for a proposal so long as: 1. }} Edited by link works Edited by add OCLC number Created by Imported from To this end, Eastern Washington University adopts by reference chapter 197-11 WAC SEPA guidelines and all subsequent amendments thereto.

### Chapter 173

WSR 80-02-123 Order DE 79-34 , § 1.
