Kodak undoubtedly saw that the stream of new products following WWII was outstripping the original looseleaf concept.

Vintage Used Eastman Kodak Graphic Arts Art Handbook Book Spiral Bound

It made establishing the bibliographic state of individual early volumes very difficult. While rangefinders continued to be described in this Data Book, the title was changed to Data Book Lenses Shutters and Portra Lens, Third Edition, © 1948; a Fourth Edition 1952 , Fifth Edition 1955 and a Sixth Edition 1958 followed. The latest professional Ektars I've seen were produced in the mid-1960s and the last consumer Ektar may have been on the top models of the Kodak Instamatic.
