## Permits

Building permit levy A building permit levy is based on the cost of the building work. The surveys cover the nation and are divided by region, state, metropolitan area, and county.

## Building Permits Survey > Permits by State Annual

You apply for a building permit through your building surveyor.

## Forms and Permits

Apply market research to generate audience insights. All permit applications and plans submitted on or after that date must comply with this edition.

## Building Permit Reports

The PDF reports from May-December 2020 are not available at this time. When a developer or or modify an existing one, they retain the services of a licensed professional to file plans with the appropriate regulators and architects, and engineers typically draft and submit these plans for approval. The report also shows year-to-date values and provides a comparison to the previous year.

## Building Permits Survey

This matter should be discussed between the owner and the building surveyor. Coronavirus COVID-19 Updates Beginning June 8, 2020 the Building Inspection plan review and zoning review counters will be open to the public by appointment only. Create a personalised ads profile.
