**Arts of the raven: masterworks by the Northwest Coast Indian ; an exhibition in honour of the one hundredth anniversary of Canadian Confederation.**

He began carving in 1979, as a novice, working with carvers in the Pacific Northwest of British Columbia. Each design, totem, mask, and plaque is a unique treasure. His design work is enjoyed by collectors of finely-carved gold and silver jeweler.

## Northwest Coast art

He is one of the most talented young totem pole carvers in Washington. Most noted for his wood plaques, he has established a refined and sophisticated personal style in only a three year period.
