WILLIAM CURTIS 1746

Historia Plantarum Rariorum depicted plants from the Chelsea Physic Garden and the Cambridge Botanic Garden. We have seen so much and learned so much and felt so much, in this our first full day in Porto, and yet have understood so little.

Formats and Editions of William Curtis, 1746

There are some intentions to merge the municipalities of Porto with Gaia and Matosinhos into a single and greater municipality, and there is an ongoing civil requisition for that objective. Above: This young girl in Bangladesh was infected with smallpox in 1973.

William Curtis 1746
