Kou 1 Desu ga Isekai de Joushu Hajimemashita

I understand that Kouji Mori is trying to make a point by sticking to historical expectations of the time + practices, but I did not appreciate nor was comfortable enough to continue.

Kai Toshiki/Sendou Aichi

But again, it all comes down to taste and preferences, because what he wrote for this manga was created for a specific audience in mind, and unfortunately it isn't a large one. Kou 1 Desu ga Isekai de Joushu Hajimemashita

He was the one that had to teach the others and help them to adapt. However, he cannot bring himself to tell his mate, the father of his child, about this and avoids him instead.

Ashita Sekai ga Owaru toshitemo BD Subtitle Indonesia

Hôi anh em vì mình không biết, đừng gạch đá gì nhé!!! Things like him waking up in the middle of the night and asking weird questions, for example. I don't know many, if anybody, that likes them .

Sousei no Taiga (Taiga of Genesis)

The art style is average. He was the first and quickest to adapt to the ancient worlds and its rules. However, maybe he has bitten off more than he

can chew.
