What Do the Colors of the Chinese Dragons Mean?

They made their first appearance with Blue-Eyes White Dragon back in the original Yu-Gi-Oh! Even styles like the blue cat eye contacts are the perfect choice to help you on your way to an awesome dragon look.

Red Eyes

Red dragons despised weakness among their own kind.

Red Eyes Dragon Boat

Red, and even Five-Headed Dragon, all in a single turn. In his younger and more virile days, Roland was renowned for slaying Niner the Dragon with Foe-Hammer, a great hunting-arrow forged by his mother, Queen Lita.

Yin Yang (Blue

At the start of his long stay in the Needle, Peter manages to send a note to the judge who convicted him, Anders Peyna, with the seemingly innocuous requests to have his mother's old dollhouse and napkins with his meals. This of course leaned into making Xyz monsters with those monsters, making up for their small stats. They smelled of smoke and sulfur.
