by definition, that proto language pre-dated PIE in the same way that Proto-Germanic preceded Old English and Modern English. Recent DNA-research has led to renewed suggestions of a Caucasian homeland for the 'proto-Indo-Europeans'.

Ancient Astronaut Aryans: On the Far Right Obsession with Indo

An eastern, or 'stay at home' branch apparently calling themselves Arya or something similar formed the ancestors of Indians, Kurds, Iranians, Mannaeans, Medians, and related peoples. Background Indo-European is proposed to be a member of a much older macro family called Nostratic.

The European peoples' common Indo

More precisely, white nationalism is a vitalist ideology: it pictures society as an organism sustained by a life force, an invisible oomph. The object of the fight was the green and fertile slopes of the Qilian Mountains, which forms the border between the Tibetan highlands and the Gobi desert.

The History of the Indo

I had a general sense of IE but no idea how much we actually have learned about the language and its people through the forensic linguistics you describe so meticulously. In actuality, the rate of language change can vary widely according to circumstances—languages sometimes evolve quickly and other times slowly—and none of it is predictable.

The European peoples' common Indo

There was certainly an older version of PIE pre-Proto-Indo-European that existed before that technology was invented, but
