These works involved converting the four stories to three and building a colonnade either side of the building in place of the wings.

The great British art quiz: set by the Holburne Museum, Bath

Among the descendants of Major General Holburne are , , and Thomas William Holburne, founder of the in Bath, all of whom served in the.

Bath's First Art Museum

Similarly, the scope of the oriental ceramics collection has been widened, with earlier pieces bequeathed by the collectors J Murray Elgar in 1955 and George Warre in 1938.

The Holburne family and Menstrie's own Windsor Castle

He then left the navy and after completing The Grand Tour, William lived in Cavendish Crescent with his three sisters, surrounded by his growing

collection. It replaces the original arrangement, of a projecting semi-circular loggia with an orchestra platform above, with a more perfunctory elevation that turns its back on Sydney Gardens. His life-long interest in art and eagerness to collect were sparked by his travels to Europe, which included an eighteen-month Grand Tour to Italy and the Netherlands.
