125: Kenneth Foote's Shadowed Ground

Similarly it took many years for Texas to mark the Goliad, Alamo, and San Jacinto battlefields; indeed the Alamo was almost lost to urban development before it was rehabilitated and enshrined.

Shadowed Ground

Similar battles have been fought over the interpretation of sites associated with the suppression of Native American populations, particularly the sites of the Wounded Knee Massacre and the Battle of the Little Bighorn, and both are still in debate.

125: Kenneth Foote's Shadowed Ground

As soon as this is accomplished, any notoriety attached to the site usually dissipates.

Some are simply designated with a marker, while others are rectified and returned to normal use. More Books: Shadowed Ground explores how and why Americans have memorialized—or not—the sites of tragic and violent events spanning three centuries of history and every region of the country.

Shadowed Ground

All these characteristics serve to define these sacred sites as fields of care, portions of the landscape that are set apart and tended with special attention.

Shadowed Ground America™s Landscapes of Violence and Tragedy

They are values that build gradually, change slowly, and sweep from generation to generation.

Shadowed Ground

All that remains at the site is the defaced pedestal of the police monument.
