Early education and care: Early learning and childcare expansion

PHS continues to recommend that a hierarchy of controls approach should be used to reduce viral transmission and that all mitigation measures should continue to be followed rigorously.

Scotland's careers strategy: moving forward

Other courses receive no government funding support and learners have to meet the full cost of their studies. You can find more data about:

Overview of ACEs

The standards call for a variety of dishes available so pupils learn about making healthy choices about what they eat. Parents may also purchase additional hours of ELC for children who have an entitlement, and those who are not yet entitled to free hours. Find out more: School clothing grants School clothing grants are paid directly by local authorities to low income families to help with the cost of buying a school uniform.

Schools: Latest

NEW for APM Membership 2020! This guidance has been developed by the Scottish Government with input from key partners from the Education Recovery Group, including local authorities, trade unions, Care Inspectorate, Education Scotland and representatives of ELC providers, and in collaboration with Health Protection Scotland.

Play Scotland, the national expert in Play

The document is sent to the bipartite body in charge of managing the professional training at sectoral level OPCA ; if not, the employee may be

credited with additional training hours off work, which will be automatically added by the OPCA to their individual training account. To support this, we have run several bursts of a national recruitment campaign to attract people to a career in ELC, linked to our , which has a Live Jobs Feed, as well as a range of information about routes into ELC and childminding, and career pathways. There may be a question around your subject or age range, such as 'What are the important developments in science education? Apprenticeship funding The Welsh Government provides some support for training and assessment costs associated with apprenticeships.

Overview of mental health and wellbeing

See the FIDERH for further information.

Coronavirus (COVID

Under the Coronavirus Act 2020, they must have regard to any advice relating to coronavirus from the Chief Medical Officer for Scotland. Individual learning accounts ILAs have been introduced in several countries, providing individuals with resources they can use to take up further digital and non-digital training on their own initiative.

Overview of ACEs

Find out more: and Mental health in schools Our March 2017 sets out the vision to improve mental health in Scotland.
