Voor dit artikel heb ik wederom de Resolves-editie uit 1709 gehanteerd: die is goed toegankelijk, en is ook bij eerdere publicaties over Felltham-ontleningen bij Weyerman gebruikt. There is no workman but would have his instruments used, and used to that purpose for which they were made. Thousands of books written between 1475 and 1700 can be delivered to your doorstep in individual volumes of high quality historical reproductions.

Mogelijk gaat het om dezelfde graaf Emmanuel Schats naar wie hij tegen het einde van Bedenkingen 2 verwijst. So often the transgressor is against the transgressor, the thief robs the thief, proditoros proditor;as in Rome many unchristened emperors, and many christened popes, by blood and treason got the sovereignty, and by blood and treason lost it. Paul, and the other Apostles 1549.
