## Vlyssis Aldrovandi ... Ornithologiae, hoc est De avibus historiae, libri XII ..

Раненный змей поднялся в воздух и улетел на континент, где его добил тоже епископ! We found this book important for the readers who want to know more about our old treasure so we brought it back to the shelves. A detailed description and images of each volume are available upon request. Our book has Leather Binding on Spine and Corners with Golden Leaf Printing on round Spine.
