The revised edition contains the substance of the original translation, slightly emended in light of recent scholarship; three of the original versions have been replaced by new translations; and a new and enlarged selection of fragments has been added. Thus in a short time when he returned under the protection of Athenion he took up residence in the same home housing the same library, which was found there by Sulla after Apellicon's death. The defenders did have a defense strategy, plotted between Mithridates and Archelaus, who were in relatively rapid communication by swift vessel.
