people were practicing Muslims, and some retained elements of their practices and beliefs well into the nineteenth century.

African

The influence that these leaders have on their followers enables them to seek political offices. Why political leaders and influence come from the church Most political leaders and influences come from the church because the congregations believe in them. In the South, craftsmen were mainly white and male.

Enslaved Africans transported to the New World beginning in the fifteenth century brought with them a wide range of local religious beliefs and practices.

African

Meanwhile, slave owners militated against teaching Christianity to the African-American, as Christianity tended to undermine the bases of slavery. They had to show their followers the way towards freedom. Islam had also exerted a powerful presence in Africa for several centuries before the start of the slave trade: an estimated twenty percent of enslaved

Eight leading scholars have joined forces to give us the most comprehensive book to date on the history of African-American religion from the slavery period to the present. Bayard Rustin, Martin Luther King Jr.
