Let me begin with you, Tracy.

1st Edition Science and Other Poems Alison H. Deming Poetry Whitman Prize

Science and Other Poems establishes astonishing parallels between the mute, inexorable processes of the physical universe and the dark mysteries of the human heart, parallels so clearly wrought and convincing that we wonder why we had not recognized them before. What do you immerse yourself in to start building your images? As a scientist yourself, do you find that? IRA FLATOW: And Rafael Campo is a poet and physician.
