Thoughts from a small brain...: Surf Culture: Is the Subculture of Surfing the Product of Consumption or Lifestyle Choice?

While he worked as a lifeguard at the , he saved his money for his first trip to those islands.

History Surf Culture by Drew Kampion

Drew continues to write for magazines dedicated to the surfing life, as well as others. As the late August sun began to sink below the horizon and a wide smile crept across his sun-drenched face, 48-year-old Jason Gorski stood in the sand and proudly pointed to the surf break he had called home for over three decades.

Available in seven different sizes to suit however big or small your quiver is. In the early 1950s, Joe Quigg began making lighter twenty- to thirty-pound malibu boards named after the California beach where they first became popular from balsa wood wrapped in fiberglass. For maximum performance, we highly recommend pairing the board with Futures AMKKeel Fins.
