Valens, Roman emperor, 364

Corruption and Political Instability Difficulties in managing large areas are compounded by ineffective and inconsistent leadership. In 369, Valens crossed again, from , and attacked the north-easterly Gothic tribe of Greuthungi before facing Athanaric's Tervingi and defeating them

The Collapse of the Roman Empire

From there, he marched against the confederated barbarian army on 9 August 378 in what would become known as the. Administration and Finance under Valentinian and Valens Chapter 7..

Failure of Empire by Noel Emmanuel Lenski

The information on this period is fascinating, and this book offers it arranged in chronological order which means that it reads like a biography. Fritigern had enjoyed contact with Valens in the 370s when Valens supported him in a struggle against Athanaric stemming from Athanaric's persecution of Gothic Christians.

Failure of Empire: Valens and the Roman State in the Fourth Century A.D. on JSTOR

Pages and cover are clean and intact. This program met with some success, particularly among soldiers loyal to the Constantians and eastern intellectuals who had already begun to feel persecuted by the Valentinians. The collapse of the Western Roman Empire was a setback caused by the failure of the empire to establish its authority.

Fall of Ancient Rome and Modern U.S. Immigration: Historical Model or Political on JSTOR

Civil war pushed the empire into chaos. When the situation worsened, community pride diminished and many Roman citizens lost faith in their

leaders. This book is a masterpiece in many ways: most books written on Roman emperors focus on either the great ones or the ones that turned out to be monsters.

A short history of Byzantium: No. 25 Emperor Valens: A reign under siege!

When the battle was over, two-thirds of the eastern army lay dead. At the same time, the empire was shaken by a labor deficit. The man is not obscured by propaganda in this era of high religious and military tensions.
