What great conversations stemmed from seeing similarities between classmates, as well as unique results for each child. Students create their own, individual, unique quilt square, then they are all combined into a single, unified class quilt.

Basic English Curriculum for Teaching ESL

Information is organized by the three program types: Basic Grade-Level, Algebra 1, and Mathematics 1. What makes the choice even more difficult is the number of curricula available to choose from. All of these publications are available to the public for free in PDF format.

The conversations are between 2 and 4 people and are between, friends, going to the doctors, golf, at the airport, hair and beauty, talking on the phone, talking about the weather and various other things. Both are self-paced so learners can work through all topics or just those of interest to them. In fact, it will allow a teacher to spend his or her time more efficiently with a greater number of students.
