Robert Plant (1818)

Illustrations, Index, if any, are included in black and white.

A Hunter's Wanderings in Africa: Nine Years Amongst the Game of the Far Interior of South Africa by Frederick Courteney Selous

Fully bound in burgundy morocco. . Baldwin's experiences are written in a simple and unostentatious manner, but he went through more adventures than almost all of the great South African travellers and hunters.

William Charles Baldwin

Condition In a half morocco binding, with marbled paper boards.

African hunting, from Natal to the Zambesi

Zeekoepan is situated in subtropical bushlands with rivers, and mountains, open plains and valleys, making it the epitome of an unforgettable safari adventure. The text-block is sound with slight browning and some spotting to the first few leaves.
