List of South Asian Newspapers

The news coverage for the paper is done by its own reporters and representatives in selected cities and towns in India. Now it is managed by the Bombay Samachar Private Ltd.

Bombay Samachar

More than 275 newspapers on microfilm are available in the Asian Reading Room in Bengali, Hindi, Tamil, Urdu, and other South Asian languages. The garden, called the Old Bombay Green, was laid out in 1869 and oriented with the Town Hall at one end and Flora Fountain at the other. Of local news there is very little, except the short paragraph about appointments above.

Mumbai Samachar

Respected by both the British and Indian Government for its fair, frank, objective and critical analysis of events, the Mumbai Samachar played a very important role during India's struggle for independence being often quoted by freedom fighters like , , and others.
