## Take Action Against Bullying

Sparking a community-based discussion on bullying and how it can be addressed at the local level is an important first step for any leader interested in making a difference. It might be spiteful, offensive, mocking, or intimidating. Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance.

## Edutopia

Meanness can be face-to-face, text-to-text, pen-to-bathroom stall—whatever the type, this Facebook page is the place to undo it! The big kid backed away and took off running home.

## Edutopia

Unfortunately, children with autism are especially vulnerable to bullying. Last medically reviewed on April 29, 2019.

## PODCAST: Who is at Risk for Bullying?

How Teachers and School Administrators Can Help Teachers have a tough job.

## PODCAST: Who is at Risk for Bullying?

If your company has some form of medical benefits plan in place — and most do — you should then explore applying for disability insurance based on your condition. Taking the problem seriously is the first step.

## Taking Action on Harassment and Bullying

People who work in different departments may be more likely to bully through email or by spreading rumors.

## **Take Action Today: Mayors Bringing the Community Together to Stop Bullying**

My son got up, dusted the dirt off his pants, walked up to the big guy and punched him squarely on the nose.

### **How to manage bullies and take actions against bullying at educational institutions.....**

Thinking about work, even on your time off, may cause and dread.
