Coalfields Community Futures · Coalfields Regeneration Trust

The NEDT Board works to support these activities, knowing that exposing dancers to a diversity of influences helps encourage both personal and artistic growth.

Coalfields Community Futures · Coalfields Regeneration Trust

Coalfields Community Investment Programme

Many came to the Middle Colonies for liberation from persecution and for business ventures that would not be possible with primogeniture prominent in much of Europe; meanwhile, those who resettled in the Southern Colonies were there for more commercial success or to flee from the consequences of debt, like the people who lived in Georgia.

Coalfields Regeneration Trust: Recovery & Resilience Fund

I couldn't even stand watching it for a few seconds when there was a game on the TV.

Industrial unit project creates job opportunities for Wigan

Beyond the commercials As an organisation, what we want to achieve is simple; create commercial developments in coalfield communities that meet with the needs and growing demand of SMEs, while also providing an opportunity for local people to learn new skills and to secure employment creating an inward investment that will deliver a social value.

Coalfields Community Investment Programme

Scholarships are awarded to students based on financial need, artistic ability and promise, and availability. Geography affected how the regions developed economically and socially.

NEDT

NEDT also provides free dance classes for undeserved communities and adaptive dance classes for individuals with disabilities. . These two regions were on opposite sides of America so naturally, they had different climates.

The Differences in Between New England, Middle, and Southern Colonies Essay

Master Classes Each year, NEDT funds several Master Classes as supplemental to the upper school dance curriculum. We continue to add to our outreach programs so that the entire community can enjoy the physical, emotional, social and academic benefit to dance. The New England colonies and the Southern colonies vary geographically because the New England colonies were located in the Northern region while the Southern colonies were located in the South.
