## FE107/FE107: Handbook of Florida Fence and Property Law: Boundaries and Possession

It is normal practice when using a fence to mark a boundary to place the outer face of the fence along the boundary, so that the posts stand on the land of the of the fence's owner.

### Boundary Fences

Or you can ask about, informally, and approach local businesses, the Post Office or other property owners in the area or on your street who have resided there longer than you and might have a better idea about established agreements. That means if you know the fence is in the wrong place but you behave outwardly as if the fence is in the right place i. We are all accustomed to seeing fences around fields and around the gardens of individual houses.

### Dommage corporel

The height of fences is a matter of planning policy.

## FE107/FE107: Handbook of Florida Fence and Property Law: Boundaries and Possession

See the resources below for more information. To find out what is allowed in your area contact the local authority planning office. There are a number of circumstances where the law requires that fences are erected.

### Can I Play Offense To De

Don't forget that there is no general obligation in law that requires him to fence his boundaries, so you cannot depend on the forces of law to make him change his mind. The legal document may explicitly state which homeowner is responsible for a said boundary fence — the left one or the right one.

### Fences & Boundaries

If possible, however, it is better to be pro-active and stop the move in the first instance. In the case of McDonald v. But then, who does decide which party is responsible? Original publication date November 01, 1999.

### **Dommage corporel**

The fence remained without dispute for five years during which time C patched and repaired P's fence several times. This handbook is designed to inform property owners of their rights and responsibilities in terms of their duty to fence.

### **Dommage corporel**

Summary If your title clearly describes your land and, according to your deed and your neighbor's deed, your neighbor's fence is clearly encroaching upon your land, you should immediately notify your neighbor in writing of the encroachment. If you have a fence or boundary issue, or any other legal issue, give us a call. Only if your neighbour gives you permission to do so.
