The RER is indeed faster than the normal metro and this is because the RER is a legitimate train as well as because it has less destinations within the city. This Paris Metro Guide covers all the information on the Paris Metro zones, best Paris Metro tickets, Paris Metro passes, and our best tips to learn how to use the Paris Metro.

## Paris attractions

Many of the cops were already busy talking to people and giving out fines likely for jumping the barrier. It contains the Parc André Citroën, created over the former Citroën factory grounds, and the Heliport of Paris in its southern extremity.

You will notice that the background has two different colors on the Paris Metro Map: light yellow and dark yellow. You can select from multiple languages when using the automated kiosk. The metro driver must go to check his condition, so the train stops.

## Subway (1985)

Experienced travelers suggest the 1st, 4th, 5th, or 6th Arrondissements for easy access to the city's most-popular tourist attractions and useful transport lines.

## How to Use the Paris Metro (Step

Soon after that incident, I had a Navigo Card and never had to worry about buying tickets again. Use the roller to move through the options and the green button to validate.

## République and Oberkampf area guide

The whole, validation the ticket, was something new for me, as the Delhi Metro, India, has a token system, or a card which is scanned every time

you pass through the gates. Public transportation is easy to access, but it's still not especially close to the city center. Download the Paris Metro App The best way to navigate Paris by Metro is to download a Paris Metro App on your phone.
