Far from homebase, we find just what we need-- untrustworthy operatives, secret societies, and that classic of twenties fiction, the charmingly innocent Heir-To-A-Fortune-- running dangerously amok in strange, unorthodox circumstances. Tulip is a story basically about Hammett under another name and what he thought about the writing process in a story about a man named Tulip who always wanted this famous writer to write a story about him and his experiences.

They mostly star his nameless protagonist, the Continental Op, a determined and insightful detective, and they are generally based in or around San Francisco.

**Dashiell Hammett**

The impression was strong but worthless. I had to look up to see her face—to see as much of it as the rain-gray night would let me see.

**The Big Knockover and Other Stories by Hammett, Dashiell**

He was spare, frugal, hard-boiled, but he did over and over again what only the best writers can ever do at all.

**The Big Knockover: Selected Stories and Short Novels by Dashiell Hammett, Paperback**

The telephone seems to be out of order, sir.
