Snapshot of Indian Agriculture since Independence

This seems to have induced inefficient use of scarce resources and aggravated environmental problems see the sheet. This is characterised by large mounds of burned cattle dung and other materials. Resumption of land by the owner for personal cultivation only, assuring a prescribed minimum area of land to the tenants has been provided for in the legislations.

Industry and Agriculture in India Since Independence

A British colonial official in the early twentieth century once scoffed that he would be willing to eat all the steel than the Indians would produce.

The Evolution of the Indian Economy since Independence

Farmers have raised objections to the bill saying that it would allow only persons with agriculture qualification to practice as agricultural practitioners and punish others like farmers, who had traditional knowledge.

Development in India After Independence

Rather than socialism, the guiding principles of policy now were liberalization, privatization, and globalization. The change follows the major technological reforms that occurred in Indian agriculture, particularly from the mid-1960s.

Agricultural Growth and the Green Revolution

Traditionally his borrowing agencies have been the moneylenders who extorted the maximum out of him to fill their pockets.

Indian agriculture has changed since Green Revolution. Reform is about giving farmers choice

Need for both credit and insurance literacy in villages, Gyan Chaupals to help in the task.
