Mersey Ferries (Liverpool)

Apparently the bottom had become holed at low tide and when the tide rose, the boat did not. The passenger bridge and landing stage, which featured in the 1981 film, were also replaced at the same time. Friendly staff make it a all round must do!! The second Wallasey of that name was built in 1881 and was the first screw driven boat of the fleet.

Woodside, Merseyside

As this was to be effected by sinking three old cruisers, which would have to pass batteries on the Mole, it was first necessary to destroy these batteries. The Thomas Wilson 1845 would have her engines giving up halfway across the river. Departures are every 20 mins from 07.

Mersey Ferries (Liverpool)

You'll see the unrivalled and ever evolving UNESCO world heritage waterfront from the deck of this famous ferry. These rights reverted to the Crown in 1536, upon the by.

Mersey Ferry Times, & Tickets

One stray spark and it would have ended up in the great breakers yard in the sky! The bullet-riddled funnel of the Royal Iris stood for many years on the south side of Seacombe ferry as a memorial. In 1883 the Violet of 273 tons commenced 15 years service. Ferries have featured on the River Mersey for over 800 years.

Mersey Ferry

The review can not be retrieved once it is deleted. These shells crashed through her sides and swept her decks, causing her casualty figures to rocket from three to one hundred and fifty in a few minutes. BUT, there is no record of any of the Wirral Ferry boats called Liverpool but the Prenton comes into existence in 1906.

Mersey Ferries (Liverpool)

The bus conductor - the 'clippy', came down on his break with bus driver Ken Rose, who took the image Brand new Mountwood or Woodchurch arriving at Woodside date about 61-62. .
