2000 United States presidential election

. PETER BOYER: From that first public appearance as a political man, it was plain that Al Gore was lacking the one thing that his father and all great southern pols had in abundance. He didn't hide behind anybody.

Tapes & Transcripts

Trump y Biden: ¿Qué los guía? Many voters had difficulties with the paper-based voting machines and were either unable to understand the required process for voting or unable to perform the process. So we adjusted our plan that I would be the guy in the house, that I would be the relative, that I'd be a little closer than the guy next door. He was pretty emphatic about keeping us busy.

Addiction is a Chronic Disease

He and his father were arguing about this marijuana question, not shouting but, you know, making these sort of comments, flying and forth across the room. This was the chosen son, the heir apparent.

Issues

BARRY GOLDWATER: -that extremism in the defense of liberty is no vice! The mind boggles at what Sotheby's could do with that collection today. He dealt with the media. PETER BOYER: Shaken, Al reacted characteristically.

Miss America

TERRY JOHNSON: I think there's some reality to it, but it suggests a less serious person than really was because, as I say, George makes a lot of things look easy. ROY NEEL: Al studied this issue to death. Kennedy, dismissed by some in the party as a lightweight charmer.

Police Sidearms: The Handguns of America's 10 Largest Departments

Now, I never did see him cry or anything like that. He took a job at the Nashville Tennessean newspaper, first as a reporter, then writing editorials.

In Washington, at the Fairfax Hotel, young Al Gore witnessed a whirlwind of social and political events as his parents hosted a kind of salon at their suite.

The Evolution of America's Right

MARY MATALIN, Bush '92 Political Director: We got on the plane, and I was still hoorahing and cheerleading around, and George W. We will take steps to block users who repeatedly violate our commenting rules, terms of use, or privacy policies. Two smaller states—11 electoral votes and Oregon 7—were still too close to call, but Florida's 25 electoral votes would be decisive regardless of their results.
