## Winnie

This is a really beautiful children's book, it has wonderful pictures and charming stories filled with the characters we all know and love. The majority of pages are undamaged with minimal creasing or tearing, minimal pencil underlining of text, no highlighting of text, no writing in margins. I love Winnie the Pooh, always have.

## Pooh Story Hardback, Copyright 1965, 1st First Edition

Christopher Robin gets in and says that a journal is something you write about things that happen in, but only after they've happened.

## **The Book of Pooh: Stories from the Heart**
